

To whom it may concern-

I'm writing this letter on behalf of Cade Fretz. I've had the privilege of teaching Cade for the past year as his Geometry Teacher. In the Geometry Classroom, things have not always come easily for Cade, he has had to be dedicated and earn everything that he has. The traits that I have seen displayed in the classroom are similar to the baseball field: hard-working, dedicated, enthusiastic, trustworthy and committed are incredible qualities that will only enhance as he continues to mature.

Sincerely,

Holly Burwell
